Standard Condition #9: Defendant shall refrain from the use or unlawful possession of a narcotic drug or other controlled substances defined in 21 U.S.C. § 802, unless prescribed by a licensed medical practitioner in conformance with Federal law. Defendant may not use or possess marijuana, regardless of whether Defendant has been authorized medical marijuana under state law.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

Violation #1: Tyler A. Bordelon is alleged to have tested positive for the presence of marijuana after submitting to drug testing with the Washington State Department of Corrections on April 6, 2020.

On December 26, 2020, the conditions of pretrial release supervision were reviewed with Mr. Bordelon. He acknowledged an understanding of the conditions, which included standard condition number 9.

On April 15, 2020, Mr. Bordelon's assigned community corrections officer (CCO) with the Washington State Department of Corrections (DOC) contacted the undersigned officer. The CCO advised Mr. Bordelon underwent drug testing on April 6, 2020, which tested positive for a small amount of marijuana. Subsequently, the CCO provided the aforementioned test results to the undersigned officer, which confirmed Mr. Bordelon's drug test collected on April 6, 2020, tested positive for the presence of marijuana.

According to the CCO, Mr. Bordelon reportedly denied using marijuana. In addition, the CCO advised that she would not be pursuing a violation of his DOC supervision, as there was only a small amount of marijuana detected.

On April 15, 2020, the undersigned officer confronted Mr. Bordelon about his use of marijuana. Mr. Bordelon adamantly denied using marijuana.
